The 2009 leaf collection program will run from September 1st through December 31st. During this period the Borough will collect leaves placed at the curb in biodegradable paper bags or open 32 gal containers. Remember to have small holes in the bottom of the containers to allow moisture flow. NO loose leaves in the streets and NO plastic bags. Leaf bags & containers are to be limited to 50 pounds. The Borough will not be providing bags this year. Please call the DPW at 201 460-3037 with any questions. Review your section for the V dates. Also know that all metals, ref & A/C's, Logs/stones, and E-scrap pick-ups are suspended during Nov & Dec. \*\*\* The DPW will be picking up as much vegetation as possible during the two heaviest months.
