

CONSTRUCTION ADVISORY

June 23, 2009

**Re: Roadway Improvements
Mortimer Avenue Section 2
NJDOT Local Aid Project**

Dear Rutherford Resident:

The Borough of Rutherford has entered into an agreement with English Paving of Clifton, New Jersey to construct road improvements on Mortimer Avenue. The project will consist of milling and resurfacing of the road between Donaldson Avenue and Union Avenue, installation of handicapped curb ramps, replacement of curbs between Donaldson Avenue and Elliot Place and incidental improvements.

**Construction will begin on or about
Monday, June 29, 2009**

There will be some inconveniences such as parking and access to dwellings during the workday. The contractor will coordinate access to dwellings prior to the work being performed. We request the cooperation of all parties involved during the construction of this project. Please use caution when traveling in this area and remember that a construction site is not an appropriate place for children.

Thank you for your cooperation in this matter. If you have any questions concerning the project, do not hesitate to contact our resident engineer John Englese at (201) 954-5891 or me.

Very truly yours,

BOSWELL McCLAVE ENGINEERING

Berge V. Tombalakian, P.E.
Borough Engineer Representative
